<https://tinyurl.com/ybulkzk7>

Accidents happen, but when a motorcycle is involved the first moments before the first responders arrive can be crucial.

**Topics to
be covered:**

Accident Scene Safety

- Responsibilities
- Scene protection
- Helping the injured
- Making sure 9-1-1 knows where you are!

Pre Ride Planning

- Emergency Card
- Emergency Gear
- Communications Information
- Safety Briefing

Program developed and taught by the Kirkwood Police and Fire Department Training Units.
